Indian Institute of Information Technology, Kalyani

About the Institute: Set up in the year 2014, IIIT Kalyani is one of the 25 IIITs established by the Ministry of Education, Government of India, under the *Not for profit Public Private Partnership* (N-PPP) model. A Memorandum of Understanding (MoU) was signed between the Government of India, Government of West Bengal, and three Industry Partners, namely, Coal India Limited, Rolta Foundation, and WBEIDC Ltd. (Webel) for setting up the institute at Kalyani, with the stakes of the partners at a ratio of 50:35:15 respectively. The institute has been declared as an *Institute of National Importance (INI)* as per *The Indian Institutes of Information Technology (Public-Private Partnership) Act, 2017*. The institute has been mandated to produce best-in-class human resources in IT and to harness the multidimensional facets of IT in various domains. IIIT Kalyani strives to evolve into a world-class academic institution with the highest education and research facilities and produce industry-ready IT graduates to meet the industry demands. The institute aims to act as a catalyst in fostering an innovative ecosystem to ensure that new products, solutions, and innovations are created, taking advantage of the state's intellectual capital. IIIT Kalyani offers semester-oriented undergraduate and research programs to impart high-quality science and engineering education. Admission to the academic programs is synchronized with the academic year and occurs according to the procedure laid down by JoSAA and CSAB (for UG level). IIIT Kalyani offers a Doctoral program in the areas of *Computer Science and Engineering, Electronics and Communication Engineering, Mathematics and Physics*. It has recently started a fully online *Executive M.Tech Program in Artificial Intelligence and Data Science*, for the working professionals. IIIT Kalyani aims to excel in education and research in Information Technology and allied areas. The institute is committed to providing state-of-the-art technical education in information technology and catalysing transmission of knowledge using the latest developments in pedagogy. While the construction work for the permanent campus has been initiated, the institute is presently operating from its temporary campus at WEBEL IT Park Kalyani, West Bengal.
